" We were really late and we couldn't get a taxi cause it was raining outside and nobody wanted to take us and we were late for the bus. We were not sure if bus might wait but luckily there was a taxi who took us and he broke all the rules of traffic in order to get as fast as possible. He was really trying hard to help us, driving as a profi. (I'm sorry please I don't want him to have any problems so just delete this in my message okay).The ride had to be about 17 minutes long but he managed to get us in eight minutes and it's time to pay but I see that I chose in Uber that I have to pay by cash and I realised that I don't have any cash"

second voice message

"I came to airport in advance. I was like super excited about my trip and went to see where is my gate and I was waiting there calmly but suddenly like there was less than 20 minutes before departure and i saw they changed gate!! and airport is huge so i had to run...

third voice message

"mostly i have weird stories"

P.S.

My project was supposed to be a couple of funny awkward happening on the way to somewhere (airport bus station) but 1 minute limit didn't let me to show my idea fully
